Priority Points and Season Ticket Ranking

In an effort to equitably serve Gamecock Club members, a priority point system was developed to determine rankings for season ticket assignments, away and postseason game ticket distribution, parking pass assignments, and other special events. The current system was voted on and approved by the Gamecock Club Board of Directors on November 3, 2006 and amended January 24, 2014.

Point Accumulation

1 POINT	for every $100 donated to the Department of Athletics
1 POINT	for each season ticket purchased for football, baseball, men's basketball and women's basketball
2 POINTS	for each consecutive year of Gamecock Club membership
10 POINTS	for every 10 consecutive years of Gamecock Club membership

Seat & Parking Assignment

Season ticket and parking assignments and locations may be evaluated and changed annually.

Season tickets are assigned by Gamecock Club giving level and then by priority point total within each giving level. Donors must maintain or increase their giving level on an annual basis in order to retain their season ticket location.

Away game & postseason tickets are assigned by priority point total.

Season parking is assigned by priority point total. Donors must purchase season tickets in order to be eligible for season parking. Football parking in all Gamecock Club lots was reselected prior to the 2018 season and is scheduled to occur again prior to the 2023 season.

Account Reinstatement Fee: If season tickets are not renewed by deadlines, accounts are subject to a Reinstatement Fee of $50 per account.

Seat & Parking Relocation

The South Carolina Athletics Ticket Office works to accommodate as many seating and parking requests as possible following the renewal deadline for each sport.

Football, Men's Basketball & Women's Basketball:
Donors wishing to request a change to their football seating and/or parking, men's basketball seating or women's basketball seating have the opportunity to select new locations online during the respective seat/parking selection process. Members who do not wish to make selections online may complete and return the appropriate request forms with payment by the renewal deadline and by doing so are agreeing to forgo their online selections.

Baseball:
Donors wishing to request a change in their baseball seating and/or parking should note their requests on the appropriate request form. Members are encouraged to submit requests in writing but may also call the ticket office to place requests. Requests to relocate existing seats or to purchase new season tickets are accommodated based on availability and assigned by priority.

PAYMENT PLAN OPTIONS

The Athletics Department offers several payment options to simplify the season ticket and Gamecock Club renewal process. Gamecock Club members may distribute payments over a period of ten months.

Please note tickets must be paid in full or in full compliance of payment plan to utilize online ticket management.

10-Month Auto-Renew Plan

Enroll in the 10-Month Auto-Renew Plan online, or call the South Carolina Athletics Ticket Office. Note, enrollees will automatically be set up on the 10-month payment plan for future years.

Gamecock Club members paid in full by the renewal deadline may enroll in a 10-month payment plan for season tickets, parking and Gamecock Club membership. By enrolling in this plan, all payments for the upcoming year are established in a single transaction. Payment Plan accounts will avoid monthly charges and instead will incur a single handling charge. **Please note payment plans may only be set up with credit/debit card or ACH (Automated Bank Draft) authorization.**

Enrollees must provide a completed ACH (Automated Bank Draft) Form, credit card, or debit card number. The billing address on the card must match the address listed on the member's account. The method of payment provided will automatically be charged on either the 15th of each month, or the following business day. Should the total amount due change at any point, the new balance on the account will be prorated over the remaining months of the payment schedule

The Agreement between Customer and the University of South Carolina Athletics Department ("USC Athletics") shall remain in effect until terminated, by either party for any reason, in such time as to afford USC Athletics to act on it. NOTICE OF TERMINATION MUST BE IN WRITING and mailed or delivered to USC Athletics Ticket Office. You acknowledge that by opting into the Auto-Renew Payment Plan, you will be subject to Gamecock Club membership and/or tickets and/or other event rate increases.

Termination of the automated payment plan does not automatically terminate your Gamecock Club membership contract nor obligation for tickets and/or other events you have agreed to pay for, which stands independent of this agreement. Payment plan installments are subject to change upon customer-initiated add-ons and/or adjustments.

The ticket office attempts to contact all members by phone that have payments declined. Accounts that become more than one (1) month delinquent due to a declined or expired credit card may be removed from the 10-Month Payment Plan at the discretion of the Athletics Department. The account holder will be notified in writing if this action is taken. If an account is removed from the 10-Month Payment Plan, all money paid will be applied to football items, followed by basketball and then baseball items. The member will not receive season tickets and parking unless they are paid in full by traditional deadline for that sport. If a member is removed from the payment plan midseason, season tickets that have already been distributed may be voided until payment is received.

3-Month Football Plan

Enroll online or call the South Carolina Athletics Ticket Office. The 3-month payment plan does not continue from year to year. Members must re-enroll annually.

This plan includes all football items on the member's account. All members enrolling in this plan must provide a completed ACH (Automated Bank Draft) Form, credit card, or debit card. If a card is provided you will be automatically charged on the 15th of each month. After season tickets and parking are renewed, members will have the option to relocate during the online seat and parking selection processes or by submitting the appropriate request forms. **Please note payment plans may only be set up with a credit/debit card or ACH (Automated Bank Draft) authorization.**

Season Ticket and Parking Selections

Season ticket and parking selections will take place in the spring and summer of each year. You must be a Gamecock Club member to be eligible to purchase season tickets and parking, as well as participate in the selection processes.

Postseason Ticket Information

Football postseason ticket information is distributed following the team's sixth win. It is important for members to submit postseason ticket requests by the announced deadline to ensure tickets are assigned based on Gamecock Club priority points. Members are also reminded to request tickets for all postseason games they are interested in attending. Charges are only processed for the game in which South Carolina is selected to participate.

The priority limits for football away games apply to both regular season away games and postseason competitions. Tickets requested outside of these limits will be filled based on availability after priority assignments.
