GAMECOCK CLUB

ESTABLISHED 1940

Bridging the gap between philanthropy and fandom

The Gamecock Club is committed to raising money for student-athletes by providing a positive experience through unique engagement opportunities. This mission is carried out through the three pillars below:

Investing in Student-Athletes

Your support helps us continue to equip our student-athletes with everything they need to excel in their sport, while also providing the resources needed to continue to develop well-rounded Gamecocks that compete and succeed in academics and in LIFE. Your donation as a Gamecock Club Member helps provide aid that includes tuition fees, meal costs, housing costs, medical costs, injury assistance and other educational needs.

Engaging our Members

Whether it is coming to campus and touring an athletic facility, getting involved with your county's local Gamecock Club Chapter, or engaging with other Gamecocks at a networking event, the Gamecock Club helps provide a wide-variety of engagement opportunities for its members. Investing in the community with our in-state and out-of-state chapters is paramount to our athletics department, proactively helping bridge the gap between philanthropy and fandom.

Providing Positive Experiences

Regardless of how you choose to support the Gamecocks, or how much you choose to give, your support of South Carolina Athletics is extremely important to us. Accordingly, it is our goal to make sure that whether you are calling in to order a ticket over the phone, tailgating before the game or enjoying a ballgame from the stands, you have a wonderful experience that leaves you proud to be a Gamecock fan.

2022 MEMBER SPOTLIGHTS

Trevon

11 Years of Membership

Favorite Gamecock Memory: "I can't pick just one but my top three are 2009 Ole Miss on Thursday night, 5 straight wins over Clemson, and the 2022 Women's Basketball National Championship!"

Johnny & Linda

44 Years of Membership

Favorite Gamecock Memory: "When South Carolina defeated Clemson in Columbia in 1975, with the final score being 56-20, Gamecocks! We were the underdogs in that game, and that with the leadership of quarterback Jeff Grantz, the Gamecocks set their all-time highest point total against Clemson in the history of the rivalry!"

Huley

56 Years of Membership

Favorite Gamecock Memory: "There are a myriad of things I remember. I have had the joy of experiencing two National Championships each by both the baseball and the Lady Gamecocks basketball teams. I think what stands out the most in my mind, because it was so unlikely and unexpected, was 6'3" Kevin Joyce out-jumping North Carolina's 6'10" Lee Dedmond and tipping the ball to Tommy Owens under the basket to give us the ACC Championship in basketball."

Jen & Kevin

19 Years of Membership

Favorite Gamecock Memory: "Back to back National Championships in baseball, seeing Clowney's hit in the Outback Bowl in person, Men's Basketball's run to the Final Four, 2 Women's Basketball National Championships, sneaking into the student section with my best friend in 2010 to watch us beat Alabama, and all the countless tailgates and celebrations with friends!"

Youmans Family

41 Years of Membership

Favorite Gamecock Memory: "80 yd pass to Horace Smith and 2 point conversion with 9 seconds left to beat Ole Miss 18-17. The game was October 21, 1978. I took my sister-in-law because no one else could go and we stayed for a while after the game was over in awe of what had just happened. We have had so many memories over the years - what a time it has been!"

Priority Points and Season Ticket Ranking

In an effort to equitably serve Gamecock Club members, a priority point system was developed to determine rankings for season ticket assignments, away and postseason game ticket distribution, parking pass assignments, and other special events. The current system was voted on and approved by the Gamecock Club Board of Directors on November 3, 2006 and amended January 24, 2014.

Point Accumulation

1 POINT for every \$100 donated to the Department of Athletics

1 POINT for each season ticket purchased for football, baseball, men's basketball and women's basketball

2 POINTS for each consecutive year of Gamecock Club membership

10 POINTS for every 10 consecutive years of Gamecock Club membership

**Gamecock Club benefits are contracted annually and are subject to change at the discretion of the Gamecock Club. South Carolina Athletics reserves the right to revoke membership benefits if a member is found to be in violation of NCAA rules and/or department policies.*

TICKETS

Ticket Office Phone: **803-777-4274** • Ticket Office Email: **gctix@mailbox.sc.edu**

Season Tickets

- Gamecock Club members have the exclusive opportunity to purchase priority season tickets for football, men's and women's basketball, and baseball.
- Season tickets are selected in order of Gamecock Club giving level and then by points within that giving level.
- Members must maintain or increase their giving level on an annual basis and renew their tickets by the respective deadlines in order to retain their season ticket locations.
- Away games, postseason tickets, and parking are all assigned solely by priority point totals.

Season Parking

- Gamecock Club members must be season ticket holders in order to purchase parking in each respective sport.
- Since parking is based solely on priority points, Gamecock Club members need to maintain any level of membership and renew their pass by the respective deadlines in order to retain their location.

Changes

All members have the opportunity to change or add to their seating and parking locations on an annual basis during the seat selection process utilizing the online seat selection tool or by calling into the Gamecock Club office at **803-777-4276**. Members who wish to keep the same locations are not required to take any action outside of renewing their tickets.

The South Carolina Athletics Ticket Office works to accommodate as many seating and parking requests as possible following the renewal deadline for each sport.

PAYMENT PLAN OPTIONS

The Athletics Department offers several payment options to simplify the season ticket and Gamecock Club renewal process. Gamecock Club members may distribute payments over a period of ten months.

Please note tickets must be paid in full or in full compliance of payment plan to utilize online ticket management.

10-month Auto-Renew Plan

- 10-month payment plan includes all season tickets and parking as well as the following years Gamecock Club membership
- This plan runs April-January and auto-enrolls each year
- Payment plans are subject to a handling fee, but do not incur any interest
- Members can enroll in the 10-month plan via account manager or by calling the South Carolina Athletics Ticket Office at 803-777-4274.

3-month Football Only Plan

- 3-Month Football Only plan includes all Gamecock Football season tickets and parking
- This plan runs April-June and requires an annual re-enrollment

Declines

- The South Carolina Athletics Ticket Office attempts to contact all members that have a payment declined
- Accounts that become more than (1) month behind may be removed from the plan at the discretion of the South Carolina Athletics Ticket Office
- All accounts not in good standing on their plan are in jeopardy of having their tickets voided until payment is made

The Agreement between Customer and the University of South Carolina Athletics Department ("USC Athletics") shall remain in effect until terminated, by either party for any reason, in such time as to afford USC Athletics to act on it. NOTICE OF TERMINATION MUST BE IN WRITING and mailed or delivered to USC Athletics Ticket Office. You acknowledge that by opting into the Auto-Renew Payment Plan, you will be subject to Gamecock Club membership and/or tickets and/or other event rate increases.

Termination of the automated payment plan does not automatically terminate your Gamecock Club membership contract nor obligation for tickets and/or other events you have agreed to pay for, which stands independent of this agreement. Payment plan installments are subject to change upon customer-initiated add-ons and/or adjustments.

Please note payment plans may only be set up with credit/debit card or ACH (Automated Bank Draft) authorization. The billing address on the card must match the address listed on the member's account. The method of payment provided will automatically be charged on either the 15th of each month, or the following business day. Should the total amount due change at any point, the new balance on the account will be prorated over the remaining months of the payment schedule.

GAMECOCK FOOTBALL

Season Ticket and Parking Selections

Season ticket and parking selections will take place in the summer of each year. You must be a Gamecock Club member to be eligible to participate in this process and purchase season tickets and parking.

Postseason Ticket Information

Football postseason ticket information is distributed following the team's sixth win. It is important for members to submit postseason ticket requests by the announced deadline to ensure tickets are assigned based on Gamecock Club priority points. Members are also reminded to request tickets for all postseason games they are interested in attending. Charges are only processed for the game in which South Carolina is selected to participate.

The priority limits for football away games apply to both regular season away games and postseason competitions. Tickets requested outside of these limits will be filled based on availability after priority assignments.

The Garnet Society is made up of over 400 members that have supported South Carolina Athletics above and beyond their Gamecock Club Memberships. These donors allow the athletics department to fund capital projects, scholarships, and operating expenses that are not covered through the Gamecock Club. These gifts are 100% tax deductible and typically paid out over a period of years.

Carolina Committed Campaign | Goal \$35,000,000

Over the past 10 years, South Carolina Athletics has invested significantly into facilities and resources for each of our 21 sports programs through capital resources derived from donations to the athletics department. While this tremendous improvement has significantly enhanced the experience for our student-athletes and fans alike, there are still many opportunities to provide a higher caliber experience of both student-athlete and fan. To accomplish this, The Carolina Committed Campaign is built on three pillars: **For the Fan, Program Enhancements**, and **Outside the Lines**.
