GAMECOCK CLUB

ESTABLISHED 1940

Our Why

The mission of the Gamecock Club is to create a proud community of Gamecocks that provides student-athletes and coaches with the support they need to succeed. Our mission comes to life through our three core pillars: Investing in Our Teams, Creating Lifetime Memories, and Engaging Our Gamecock Community - each representing a unique way we turn passion into impact.

Investing in Our Teams

Your support equips Gamecock student-athletes and coaches with the tools they need to excel both on and off the field. As a Gamecock Club member, you provide the resources necessary for our teams to compete for championships while fostering a holistic and enriching experience that empowers student-athletes to thrive at USC and beyond.

Creating Lifetime Memories

We build on your support to cherish the moments that define the Gamecock experience and strive to create unforgettable opportunities to celebrate the pride and tradition of being a Gamecock. From the excitement of game day to unique interactions with student-athletes and coaches, each experience strengthens bonds within our community and ensures the legacy of Gamecock pride endures for generations.

Engaging Our Gamecock Community

The Gamecock Club is dedicated to bringing your passion to life by cultivating genuine, personal connections with every Gamecock fan. By engaging with local communities through in-state and out-of-state chapters—and fostering one-to-one interactions between our staff and fans—we inspire a shared sense of purpose and belonging. These relationships create a lasting legacy of unity and pride, turning fandom into a driving force for positive impact.

Priority Points and Season Ticket Ranking

In an effort to equitably serve Gamecock Club members, a priority point system was developed to determine rankings for season ticket assignments, away and postseason game ticket distribution, parking pass assignments, and other special events. The current system was voted on and approved by the Gamecock Club Board of Directors on November 3, 2006 and amended June 13, 2023.

Decade Dividends Points

Decade Dividends Points: Every decade, members receive the number of points corresponding to how many consecutive years of Gamecock Club membership (i.e. receive 30 points for 30 consecutive years of membership)

Point Accumulation

1 POINT for every \$100 donated to the Gamecock Club

2 POINTS for each season ticket purchased for football, baseball, men's basketball and women's basketball

5 POINTS for each consecutive year of Gamecock Club membership

*Gamecock Club benefits are contracted annually and are subject to change at the discretion of the Gamecock Club. South Carolina Athletics reserves the right to revoke membership benefits if a member is found to be in violation of NCAA rules and/or department policies.

TICKETS

Ticket Office Phone: **803-777-4274** • Ticket Office Email: **gctix@mailbox.sc.edu**

Ticketing will be transitioning completely digital for the 2026-27 athletic year. **[Here's a step-by-step walk through of how to use digital tickets when entering our venue.](#)**

Season Tickets

- Gamecock Club members have the exclusive opportunity to purchase priority season tickets for football, men's and women's basketball, and baseball.
- Season tickets are selected in order of Gamecock Club giving level and then by points within that giving level.
- Members must maintain or increase their giving level on an annual basis and renew their tickets by the respective deadlines in order to retain their season ticket locations.
- Away games, postseason tickets, and parking are all assigned solely by priority point totals.

Season Parking

- Gamecock Club members must be season ticket holders in order to purchase season parking in each respective sport.
- Since parking is based solely on priority points, Gamecock Club members need to maintain any level of membership and renew their pass by the respective deadlines in order to retain their location.

Changes

All members have the opportunity to change or add to their seating and parking locations on an annual basis during the seat selection process utilizing the online seat selection tool or by calling into the Gamecock Club office at **803-777-4276**. Members who wish to keep the same locations are not required to take any action outside of renewing their tickets by the renewal deadline.

The South Carolina Athletics Ticket Office works to accommodate as many seating and parking requests as possible following the renewal deadline for each sport.

The Athletics Department offers several payment options to simplify the season ticket and Gamecock Club renewal process. Gamecock Club members may distribute payments over a period of ten months.

Please note tickets must be paid in full or in full compliance of payment plan to utilize online ticket management.

10-month Auto-Renew Plan

- 10-month payment plan includes all season tickets and parking as well as the following years Gamecock Club membership.
- This plan runs April-January and auto-enrolls each year.
- Payment plans are subject to a handling fee, but do not incur any interest.
- Members can enroll in the 10-month plan via account manager or by calling the South Carolina Athletics Ticket Office at 803-777-4274.

5-month Football Only Plan

- This plan runs April-August and requires an annual re-enrollment.

Declines

- The South Carolina Athletics Ticket Office attempts to contact all members that have a payment declined.
- Accounts that become more than (1) month behind may be removed from the plan at the discretion of the South Carolina Athletics Ticket Office.
- All accounts not in good standing on their plan are in jeopardy of having their tickets voided until payment is made.

The Agreement between Customer and the Gamecock Club shall remain in effect until terminated, by either party for any reason, in such time as to afford the Gamecock Club to act on it. NOTICE OF TERMINATION MUST BE IN WRITING and emailed, mailed or delivered to the Gamecock Club. You acknowledge that by opting into the Auto-Renew Payment Plan, you will be subject to Gamecock Club membership and/or tickets and/or other event rate increases.

Payment plan installments are subject to change upon customer-initiated add-ons and/or adjustments.

GAMECOCK FOOTBALL

Season Ticket and Parking Selections

Season ticket and parking selections will take place April 22 - June 19. You must be a Gamecock Club member to be eligible to participate in this process and purchase season tickets and parking.

Postseason Ticket Request Information

Football postseason ticket information is distributed following the team's sixth win. It is important for members to submit postseason ticket requests by the announced deadline to ensure tickets are assigned based on Gamecock Club priority points. Members are also reminded to request tickets for all postseason games they are interested in attending. Charges are only processed for the game in which South Carolina is selected to participate.

The priority limits for football away games apply to both regular season away games and postseason competitions. Tickets requested outside of these limits will be filled based on availability after priority assignments.
